## *Our Lenten Journey-*

*The devotion of the Stations of the Cross focuses on Christ's journey toward Calvary and the cross.*

*Following in the events of Our Lord's Passion, each Station offers a moment of prayerful contemplation in which we as a community reflect on Christ's love for us and ultimate sacrifice for all humanity.*

*On Thursday, grades 2-8 gathered together in church to pray the Stations.*

## Principal's Corner

In January, a seventh grade student - Samuel Burak - won our annual Geography Bee. This qualified him to test for the State Geography Bee. Yesterday, Mr. Canelas informed us that Sam has been invited to compete in the State Finals!

## **CONGRATULATIONS**
