

Holy Family Academy Newsletter

March 23, 2018

It has been a busy week at Holy Family Academy. Our annual Government Week was highlighted by an assembly on Wednesday morning with many special guests. Our middle school students learned about the many facets of state and local government. We are especially grateful to Mr. Ron Cormier for his time and dedication to this annual event.

Wednesday evening we were treated to another annual event, the Spaghetti Supper. We extend a big THANK YOU to the entire Croteau family who give so much time to preparing this annual meal.

We are grateful that the latest storm spared us any more snow, and we gladly welcomed the first day of Spring. Let's pray that the warm weather is to follow.
