**April 6, 2018**

Easter has come and gone and still we are awaiting signs of spring. Warm days, sunshine, green grass and flowers blooming, it is coming but in its own time.

Today, one of our seventh grade students, Samuel Burak is participating in the state geography bee at Elms College. We are so proud of Sam and wish him luck!

Looking to next week, on Monday, our seventh and eighth graders will attend Mass for Life at St. Paul's Cathedral in Worcester. On Wednesday, students in grades K-4 will attend Theater at the Mount's production of the Little Mermaid. On Thursday, our seventh and eighth graders will complete their Government program by visiting their counterparts at City Hall, the Police station, the Fire station and NCCI.
