Dear Parents,

Welcome back! It is wonderful to have the children back to school. A school building during the summer is so silent!

Thank you all for your understanding about the half days this week, our building does get very hot. Next week, please God, we will be full steam ahead!

As we have new faculty, introductions are needed:

Miss Kaitlyn Morris, grade two, is a graduate of Curry College and did her practicums in Milton, Ma. She is also a graduate of the former Holy Rosary School!

Mrs. Alanna Toomey, grade eight, comes to us with a wide breadth of experience in the field of history, and as an Emergent Learner Teacher. Mrs. Toomey is mother to two children, one who will begin kindergarten this year at Holy Family Academy!

Mrs. Winifred Rivard, a retired high school math teacher, has agreed to step in temporarily until we find the right person to teach math to our sixth, seventh and eighth graders.

As some of you have heard or been a part of, we are now gathering together for morning prayer on the front lawn of the school.

Holy Family Academy is more than just a school, we are a family of faith. Praying as a school family in the morning helps us to center ourselves and give praise for all our gifts. It also allows all who gather a time to reflect, and a time to quiet ourselves before we begin the work of the day.

A reminder that Back to School Night is Wednesday, September 5th at 6:30. All teachers and parents will meet in the lower church hall. Following the meeting, teachers will meet with parents in their classrooms.

Wishing you a lovely Labor Day weekend.

Blessings,

Mrs. Andrea Tavaska

Principal
