

September 7, 2018

Dear Parents,

It is wonderful having all our students in school this week and they seem so happy! The amazing part of Kinder and Pre Kinder opening ---no tears, from the children that is, a few parents on the other hand.....

Our Back to School Night was well attended and lots of information shared. Parents were able to visit classrooms and meet teachers and hear about the expectations of the school year. A reminder to all those not in attendance, in order to volunteer, chaperone class trips, or work in the library you must have a CORI check completed. If you have not completed the form, please speak to Mrs. Lucas.

Have a wonderful weekend.

Blessings,

Andrea M. Tavaska

Principal
