

Dear Parents,

Attached is the summer reading list and summer reading log. I would like your child to read at least two chapter books over the summer.

Please have your child choose one of the books he/she reads over the summer to complete the attached project. This is to be turned in with the reading log by the second week of school. The reading list is a guide, if the books look too challenging or not challenging enough for your child please feel free to help him/her select chapter books that are appropriate for his/her reading level.

Have a wonderful summer!

Miss Ross
