

Kindergarten Summer Reading Project

1. Read 10 books over the summer with your family. For each book read, color one of the books on the worksheet on the next page.
2. Draw a book cover for your favorite book you read. Include the name of the book and the author on it.
3. On your first day of school, bring the worksheet to hand in and your book cover to share with the class.

Summer Reading Challenge

Can you read 10 books this summer?

Name _____
